

Casper Voogt

Curriculum Vitae

Personal details

Name: Casper Voogt
Address: Frans van Mierisstraat 88-3, 1071RZ Amsterdam, the Netherlands
Mobile: +31 6 53182133
E-Mail: contact@plethoradesign.com
Site: <http://www.plethoradesign.com> (visit for up-to-date portfolio)
Marital status: Married
Nationality: American and Dutch
Date of birth: 9th September 1977
Place of birth: Amsterdam, the Netherlands

Education

2000.09 – 2002.06 – Master of Architecture (professional design degree), Princeton University School of Architecture, Princeton, NJ, USA
1995.09 – 2000.06 – Bachelor of Science in Architecture at the Georgia Institute of Technology in Atlanta, GA, USA
2000.06 – Certificate in German, Georgia Institute of Technology, Modern Languages Department, Atlanta, GA, USA
1991.09 – 1995.06 – High School diploma, Carl Harrison High School, Kennesaw, GA, USA

Professional experience

1995-present – Freelance web designer/developer. Founded Plethora Design, LLC in 2003. Visit plethoradesign.com for my portfolio. I do mostly PHP/MySQL and HTML/Flash design and development. PHP/MySQL: 4 years. Flash: 6 years. HTML/JavaScript/CSS: 10 years.
Awards: DesignFirms Award for armitagegonedance.org, June 2006

2004.09 – 2005.12 – Designer and webmaster at Rudy Uytenga Architectenbureau.

- Built project database and search engine for uytenhaak.nl.
- Produce videos of the 3d work and maintain the company website
- Build 3D models of architectural designs with Maya 6

2002.09 – 2004.08 – 3d and multimedia designer at Perkins and Will in Atlanta, Georgia, USA.
Responsibilities:

- Design presentations on CD-ROM and the web using Flash. These have been presented to clients such as General Motors, CBS, Georgia Tech, and the CDC.
- Built 3D models of building designs using 3dStudio Max

- Post-produced video flythroughs using Premiere and Flash

- 2002-present** Founder and Partner of Javvo.com, an e-learning company.
- 2001.05-08** Project assistant for Swiss Virtual Business School and Strategy Lab at Landegg International University (Wienacht) and Universität St.Gallen, Switzerland.
Responsibilities:
- Developed a website for Swiss Virtual Business School and Strategy Lab, focusing on executive strategy management.
 - Lectured on the history of the internet
- 2002.06-08** Technical researcher and lecturer at Landegg International University in Wienacht, Switzerland.
Responsibilities:
- Taught a summer course on social psychology and internet-based communities
 - Developed prototype of UI for an e-learning system
- 2000.09 – 2001.05** Media assistant, Princeton University New Media Center
- 1999.06-08** Co-designer and builder of a house for Prof. Jarrett in Perry, Georgia, USA
- 1998.09 – 2000.06** Helpdesk assistant and printing specialist at the Georgia Institute of Technology's College of Architecture
- 1998.01-06** Researcher for CaribCad, a project funded by the European Union, the Technical University of Delft, and Georgia Tech to explore internet-based outsourcing of tasks such as CAD drafting. I modeled work flow diagrams using Java applets.

Skills

- PHP/MySQL** I have four years' experience with dynamic sites using PHP4/MySQL for custom search engines as well as heavily modifying existing CMSes.
- HTML, CSS, JavaScript, Perl** I have ten years' experience coding HTML by hand and WYSIWYG, and have an in-depth understanding of CSS and CSS classes. I am comfortable working at the command line in various UNIX flavors, and am also quite familiar with web design basics such as chmod and server-side security on Apache (htaccess as well as modifications to server environment).
- Macromedia Studio MX Professional 2004** I use Photoshop, Fireworks, and Flash for schematic and final designs. I have a good understanding of graphics optimization (GIF vs. JPG). I use timeline-based Flash and object-oriented ActionScript about equally, Dreamweaver for all my development, and Dreamweaver templates for smaller sites, but for larger sites I use PHP/MySQL. I have also used ColdFusion and to a lesser extent ASP.

Adobe Wide-ranging experience with Adobe, especially Photoshop, InDesign, and Photoshop CS Illustrator. For video post-production I use Premiere Pro, but I also have had Illustrator 10 some exposure to Combustion and After Effects. I have used GoLive and InDesign 2 ImageReady, though I prefer Dreamweaver and Fireworks.

RSS/XML/other Have programmed custom RSS-compliant XML for CMSes (PHP-Nuke).

CAD/CAM 3D modelling and animation with Maya, 3dStudio Max, and AutoCAD.

Language skills

	<i>verbal</i>	<i>written</i>
English	Excellent	excellent
Dutch	excellent	excellent
German	good	good

Interests

Hiking, design, discovering new music, travel.
